Zeta, Now Horny Head of Park Lane, Welcomes Park Laners New & Not-So New!

It's so nice to get a *permanent* position in these troubled times, isn't it?

"And after guesting as your Park Lane Editor for so many months, it's wonderful to have my favourite position confirmed.

"And so here I am, in my people-eating purple stockings, providing *instant* pleasure (no hanging around with boring advertisements and time-wasting nonsense with *Park Lane*, I'm proud to say) before we meet all the other international newspaper stars and other Park Lanettes peopling even-more-sensational *Park Lane* 17.

"It's little wonder that sleek new-look *Park Lane* (but still coming to you at the price of 'cheapy' [illegible] magazines) has been instantly successful, and [illegible] out how you can enhance your horny reading pleasure in my company even more, around Page 18, where we officially say 'Hello' to each other.

"See you there, after you've got a taste of the tantalising, but elegant and often outsize delights that lie (and sometimes *stand*) in between..."

Love,

Zeta

PARK LANE INSTANTLY DOUBLES STOCKING FIENDS' PLEASURE!

It's only page 6 of *Park Lane* and already we're doubling your pleasure – *at least* doubling it for stocking lovers with our scarlet women. And they're also here to tempt you, Park Lane confesses, into becoming one of our *regular* fans. After all, when this duo are simply tasters for the rest of Park Lane's thrills, dare you ever miss another monthly issue of new-look Park Lane? And that's why we've included our money-saving reservation slip in this steamy slot, which invites you to get it regularly – in other words, have pulsating *Park Lane* shipped to you every thirty days, securely sealed, of course. So why not be like our devastating duo and simply lie back and enjoy it in future, and let our Park Lanettes – our Mail Order Misses – do the hard work!

LIFE IS AGONY & ECSTASY FOR 69-INCHED SUSIE SPARKS!

If you read *Sunday Sport* you'll already have got your teeth briefly into outsize sensation Susie Sparks with the world's most magnetic mammaries: mammaries that amount to 69 inches even before titillation.

Now *Park Lane* gives you the chance to really *wallow* in this bra-burster's titanic talents that give *her* as much pleasure (so she assures *Park Lane*) as folk who get to feel 'em.

Yes, they're *mega*sensative are Susie's tasty twosome and she finds them being fondled, and worshipped, postively *ecstatic*.

What's more, she's becoming an Agony Aunt in our sidekick fortnightly, *Parade Magazine*, handling the sticky sexual problems of that budget-priced two weekly's fans.

So life is agony *and* ecstasy for this massive multi-talented Cleavage Queen. Oh, and if her *Park Lane* pics give you an irresistible urge to *wallow* between those whoppers for hours on end, don't forget to get the *full* flavour of Susie in her all-picture Special which comes to *Park Lane's* tit fiends at only £6 including post and packing – if you post the reservation slip in Ms Spark's Park Lane pictures quickly!

PARK LANE

ZETA, YOUR PERMANENT PARK LANE HOSTESS WELCOMES YOU TO PARK LANE 17...

We've already said 'hello' right at the start of stunning *Park Lane* 17, but I grab every chance to get to know the fans of elegant, erotic *Park Lane* even better! *And* to tell you all about developments in my helping edit Britain's horniest publications for men.

'If you're in the swing of things, you'll know how Park Lane's a *new* turn-on task for yours truly. Up until now I've been compiling our star-packed sidekick monthly *Adult Fantasy*, as well as fortnightly budget-priced *Parade*, which parades so many top flight newspaper Page Three-ers, full length and furry, every fourteen days.

'And now I've been made hostess of the smartest new monthly for sophisticated males to come along in many a year, do you think that overworked little me will be giving up *Parade* and *Adult Fantasy*?

'Not on your nelly! I'm your original can't-get-enough-of-it girl and on top of helping on this trio of glossy mags, I'm also putting my two penn'orth into exciting *Sunday Sport* newspaper every seven days!

'Now selling well over half a million, *Sunday Sport* doesn't exactly need my talents, but Sunday Sporters are a bit like me. They can't get enough of a good thing either, and so you'll see my topless pictures often cropping up among their weekly crop of topless discoveries in full-colour.

'So let's make a date to meet in *Sunday Sport* every seven days, as well as having our monthly coming-together in *Park Lane* – and I've even squeezed in a little coupon here, where you can *make sure* of your 32p Sabbath bluesbreaker, as well as new-look Park Lane.

'So, see you next Sunday after you've got to grips with the naked new Park Lanettes in *Park Lane* 17. Yes, variety is the spice of life and I hope you also like my many different 'Zeta looks' in my snaps here, hand picked by yours truly to warm you up for the torrent of lovelies that lie ahead...

Love,

Zeta

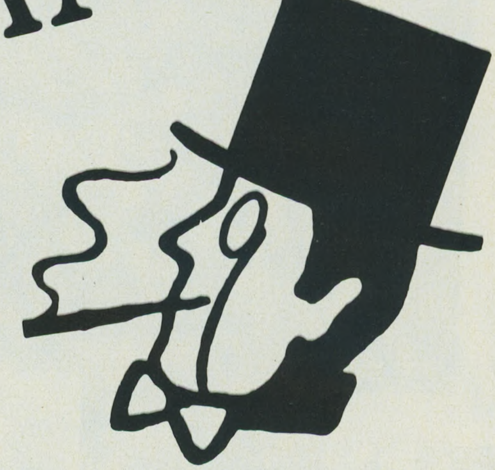
THE DIARY OF A PARK LANE RAKE



HORNY HUGH GETS HITCHED – NEARLY!

Once again, lucky Park Laners are invited to share the good life with idle, rich and horny layabout Hugh Mortimer (sometimes known as Hugo when he's feeling even more toffee-nosed) who spends most of his life pursuing shapely tail the length of Park Lane in London's West End.

Yes, contemptible Hugh was born with a silver spoon in his mouth and an overactive dong down below, and the lucky blighter has all the time in the world to make the most of both.

However, this time round we find Hugh living and lusting dangerously, because his pater's decided he should get hitched and give up horny tarts like his regular girlfriend, curvaceous Connie...

And read on to discover how 'orrible Hugh tackled this sticky problem...

It's always a damned nuisance when my father, the Governor starts shouting and hauls me down to the old pile of bricks for what he calls a quiet discussion.

Quiet, it *isn't*! It is usually about my profligacy in getting through my tin too quickly, or about marriage. If it is the first he gets out the Wincarnis; for the second, the brandy and the soda.

He seemed in astonishing good humour when we met.

"Oh, good Lord, it's you. Um..." he greeted me.

"*Hugh*, Sir," I replied, reminding him of his son's name.

"Of course, of course, Knew yer mother... Ah, yes. Sit down, won't you. Now, ah, why are you here? Been sent down from Cambridge again?"

"Not since I left it, Sir. As a matter of fact *you* wished to see *me*," I reminded him.

"Ah, oh, yes. Bloody hell. Got AIDS?" he now asked. He was really going ga-ga.

"Can't afford staff, Sir. Not in these days of punitive taxation," I replied.

"I *meant*..." thundered the Old Man, "Have yer been rogerin' any

nancy boys of late?"

"Not since Eton," I answered, truthfully.

"Oh, well played. Stout fella'. Just the man we're looking for," he went on, even more oddly.

"Why is that?" I retorted, totally puzzled.

"*Marriage*. Old Brigadier Anstruther's gel. Not too bad. Bit of a barge arse, quite a good lookin' filly, good legs; think she'd be great over the sticks, and far too well bred to be a bally nuisance."

"What's her name?" I asked.

"Bloody hell, I *don't know*. Does it matter?"

"Well, one supposes it might," I said disconcertly.

I was not being asked. I was being told to marry. The England of the upper class shires altereth not, even in the last years of the 20th century. Henry Anstruther was a decent old cove: batty as all hell, given to wearing his dress blues in

'Penny was sitting astride me'

bed when he'd been at the port, or had listened to Mr. Benn on television. He had three daughters, two of them married off, I seemed to remember - and the third was about to be assigned to me.

I had to play for time, to kick for touch, long and deep into the enemy 25.

Aloud, I said, "When am I to meet the girl, Sir?"

"This evening. Er, you'll be staying the night. Next room to hers. You know the form. Take her out, give her a servicing, get your overalls on. If she's sound in wind and limb, that's it. I mean, you can still have your fluff in Town. You know, that tart who's in some of those vy-deows the gardener keeps locked away in his cottage."

Connie! Oh Christ! *What would she say about it all?* I didn't have to ask, I *knew*. Connie was the woman I *should* marry: organised, efficient, sexually desirable, and a raver between the sheets. Connie turned me on like the tap of gold and gave me the horn of plenty...

Still, I motored over to 'Lucknow', the Anstruthers' house, three miles away in the next village.

The door was opened by a tall, willowy blonde, wearing a smile and a simple, white cocktail dress that showed she was loaded with

'Peter had such a tasty weapon'

IT'S A SHORT STEP FROM PARK LANE TO PARIS

If You're Shaped Like Linzi

Linzi settled herself into a nice, easy rhythm. By the time he spunked, it would be tea break and the afternoon would be half over. She didn't look at the Head of Finance, only at his dick as her hand, grasping it firmly rubbed it slowly up and down.

"Do you want me to go faster, sir?" she asked him politely.

"I think that on occasions like this, you should call me Peter," he told her. "However, I'm quite happy with your stroke. You can speed up a bit later on."

Linzi just managed to prevent herself from saying, 'Yes, sir, three bags full, sir.'

Still keeping the easy stroke, peeling away the foreskin from his tip and then bunching it up again with the upward movement, she took hold of his balls with the cupped palm of her left hand.

"Ayee!" Peter jumped and gasped with the delicious sensations.

The teenaged girl certainly knew how to delight, yet he knew she wasn't a girl who slept around either.

He would play his cards slowly and carefully. There was no rush, but he knew that eventually, a naked Linzi would be his for the taking. He reckoned that a dick in a girl's hand was half way to her cunt.

Linzi weighed his balls. They were certainly heavy. She would see what she could do to drain them. She thought it would be amusing to see her boss squirming on top of his desk as she pumped the sperm out of him.

Then she began to wonder what he would be like afterwards. Would he carry on giving her dictation as if she had never seen his dick, let alone wanked it?

Linzi knew she would have to wank him again; *at least* wank him. However, if she was going to get to Paris, she would have to open her legs for him, she knew that.

The young brunette went a little bit faster and she let go of his balls to see them bounce with her speeded-up action.

"You're very good, Linzi," smiled Peter.

"Thank you." She smiled back and increased the stroke.

She noticed her boss's twitching. Now it was time to really go at his cock and to start to drain it dry. Soon, her hand was moving in a flexible blur on her wrist and Peter's balls were leaping about furiously.

"I'm going to come, Linzi," he gasped.

The girl was tempted to tell him that it was *his* dick and *his* spunk, so he could do what he wanted and when he wanted. She didn't however. Having a joke with a boyfriend in a similar situation was okay, but she had never had a sexual experience with a boss before, so she just kept on wanking without saying anything.

"Do you want me to catch it in anything?" she asked him.

"No," he croaked, his eyes widening and his nostrils flaring.

Linzi flicked her tongue over her lips. Any moment now and the great white fountain would erupt. She always liked watching that happen, just so long as the stuff didn't get on her clothes.

Peter made strange gurgling

'Linzi settled herself into a nice, easy rhythm'

noises in his throat and his backside humped up and down frantically.

Suddenly, his cock was spurting wads of come and Linzi felt some of the warm fluid splash onto the back of her hand.

The spurting continued for some time, accompanied by gasping cries from the prostrate Head of Finance. For all his exalted status and salary, he still spunked like any other bloke.

The spurts slowed to a dribble and then the dribble stopped altogether. Linzi looked at the great blobs of spunk she had produced. She had certainly done a good job.

Peter confirmed the fact.

"That was terrific, Linzi," he sighed. "Thank you very much."

"Any time Peter," smiled the girl, again calling him by his Christian name. She thought that she should continue to do so as he still had his trousers down. By offering the services of her right hand on future occasions, she was merely feathering her nest.

She let go of his well-wanked, sticky tool and it flopped wearily against the top of his thigh.

"I'll get some tissues," she offered, getting off the high-backed chair.

"There's a box in my bottom left drawer," he told her.

There were in fact, several boxes of tissues in his drawer. Linzi bet he didn't just use them on a runny nose either. Probably Amanda gave him the odd wank from time to time. Automatically, her pretty nose wrinkled at the thought of Amanda. There was no love lost between the brunette and the twenty five year old auburn-haired, big-busted girl who was also a secretary at the firm.

Peter allowed Linzi to mop up the spunk. Typical of the man, she thought. He swung his legs off the table and he thanked her again.

"You did say 'any time' didn't you?" he reminded her.

She nodded, plucked up courage and said, "If you take me with you to Paris, I might even..." Feeling herself reddening, she didn't finish the sentence but she had said enough already.

"Really," (he had his trousers back up now so the formality was resumed), "We shall have to see then, won't we?"

Linzi went for her break, feeling quite pleased with herself. She was in her boss's good books and she had staked her claim for a place on the Paris trip.

As she entered the rest room, Amanda looked at her, an almost-knowing smile on her attractive features.

"And what have you been doing?" she asked the younger girl.

Linzi, who had been half prepared for some comment anyway, kept her cool and she did not even blush as she pressed the button of the coffee vending machine.

"I've been taking dictation," she replied casually.

"Dictation?" cried Amanda. "Dick tasting more like."

The other girls in the room roared with laughter. Linzi sat down at the big table, but well away from her auburn-haired rival. "You know your own tricks best," she sniffed.

Talk began to centre on the Head of Finance. It seemed to be an open secret that Amanda had slept with him, and Linzi began to think that some of the other girls around the table might have gone so far as to have given him a wank.

"I'll say this for Peter. He's got a nice cock hasn't he, Linzi?" Amanda suddenly remarked.

The brunette didn't fall into the trap.

"I wouldn't know," she replied casually. "I'll take your word for it."

On the way out of the tea room, one of the girls whispered to Linzi, "By the way, you've got some spunk stains on your skirt. Did you know?"

"Oh no," groaned Linzi, looking down on her navy blue, pleated skirt. There were, however, no signs of any stains at all. Her colleagues burst out laughing. The brunette had fallen for it!

Red-faced and flustered, Linzi fled to her little office and her word processor. Word would go round like wildfire. She consoled herself with the knowledge that Peter had said he would see about taking her to Paris with him. When *that* happened, everyone would know that the Head of Finance had got more than a wank.

About a week after the hand-job incident, Peter asked Linzi if she would mind working late that particular evening.

Eager to please, she cancelled her own arrangements. She knew exactly what the awful Amanda would say when she found out, but she didn't care.

Sure enough, at tea break, the redhead remarked, "I hear Linzi is doing some overtime tonight."

"Yes, I am, what of it?" sniffed the brunette disdainfully.

"It's your puss that will be working the overtime, more like," grinned Amanda, much to the amusement of the other girls around the table.

"All you've got to do Linzi," one of them sniggered, "Is to lie back and think of England."

The brunette sighed and did not respond to the taunts. She thought to herself however, that it was more likely that she would be lying back and thinking of Paris, not England.

Linzi reckoned that it wouldn't be long after the cleaners had departed that her boss would make a move. She was right. At the time, she was bending low over one of the lower drawers of a filing cabinet. The young secretary knew he was right behind her. Suddenly, she felt his palm against the swell of her buttocks.

"You've got a nice bottom, Linzi," he said. His breathing was hard and she knew something else was, too. He pressed his crotch into her bum cheeks and she felt the evidence of his arousal.

In fact, there was a tickling sweetness between her thighs. Linzi badly needed spearing with a prick, and a big one at that. Her boss could certainly oblige in that department.

Slowly, she straightened up and turned to face him. She knew she looked particularly alluring in her red silk dress. Linzi had worn it because she had intended to go out straight from work.

"I think you'll find the settee in the reception area very comfortable," he told her almost arrogantly.

"I think you'll find my services in Paris very useful," she replied. There, she'd said it. She'd put her cards on the table. He knew now

BIG BABS HITS PARK LANE

PART II/BABS BOWLS'EM OVER AT A BELGRAVIA SEX BASH!

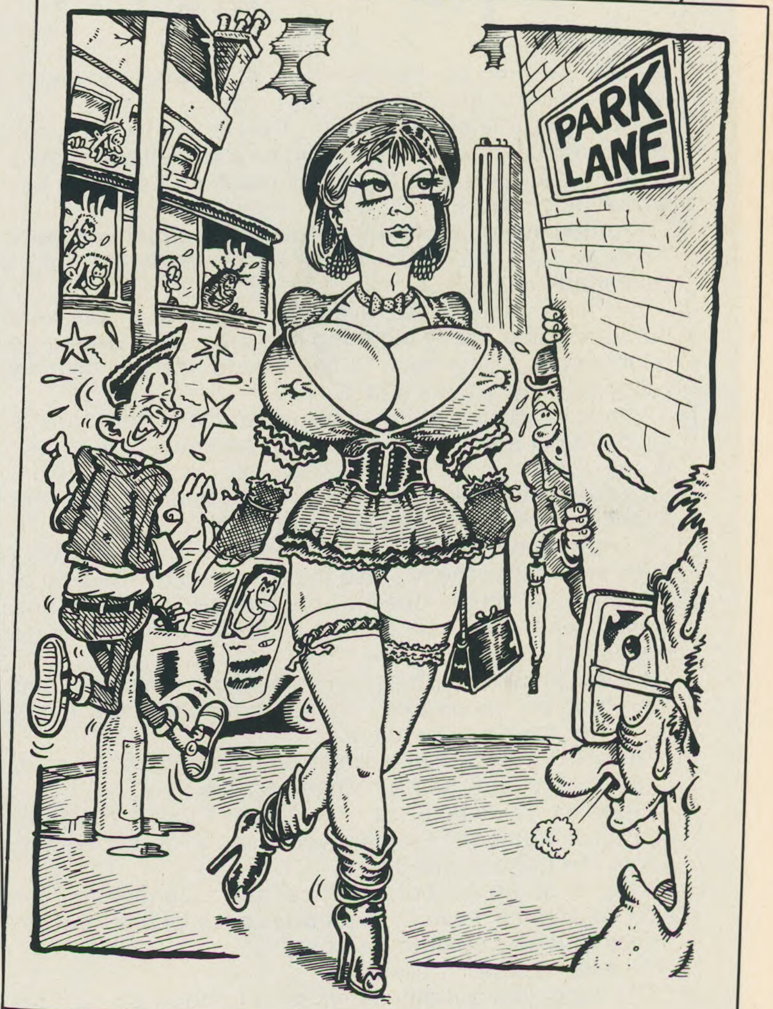
Regular Park Laners are still gasping after their first encounter with outsize country girl Babs in last month's Park Lane, where this ginormous titillator from the sticks introduced herself to the urbane sex fiends who patronise pulsating *Park Lane.*

Babs with her 44 inch boobs has already told you about her stroke of luck whereby she ended up with a few bob *and* a luxury pad off Park Lane in London's West End.

And as you can see, having got to know her dirty-minded neighbours, she's now ready and eager for the big time, and to discover 'where it's at', sexwise, in the kinky Capital...

What's more, as you can imagine it didn't take long for much-in-demand, mammary-laden but bouncy Babs to find herself in the thick of the steamy action with well-heeled orgiasts...

So come and meet raunchy, rustic Babs, Park Lane's very *own* eager-to-please cleavage queen...



Barbara comes from a small village deep in the heart of the countryside. Her rich uncle left her a posh London penthouse flat in his will: a fabulous penthouse in Park Lane in the heart of London's Mayfair.

Barbara – known as 'Bouncing Babs' to her friends because of her huge breasts – moved down to London and soon found out that the sex scene was very much to her liking...

Village life was never like this, I thought, as I stood at the huge picture windows of that penthouse flat and looked out over London.

Mind you, I was adapting fast. I had come to terms with the fact that in London, sex seemed to be the main subject everyone was concerned with.

I had had my fair share of sex in the village, of course, mainly with country lads who fumbled with me in the barn or behind a hedge, or fucked me in a field. But that didn't compare with being fucked in a huge bed in my *own* penthouse flat.

The bed was fabulous, 'Empire' sized, with silk sheets, a large padded headboard, and by the side of it was a console, with buttons on it, and this controlled the lighting and TV and stereo and video. It was *amazing.*

"Come back to bed," said Peter.

I'd met Peter that morning in a store while I was out exploring the West End of London. My country instincts had come to the fore, and I'd invited him back to my place

for that evening on the promise that he would show me some action in London later that night.

Peter was one of the rich set – the Hooray Henry type – but for all that he wasn't bad, and he was well connected, and my main aim was to see as much as London's sex scene as possible.

I turned, naked, from the window. "I thought you were going to take me to some sort of *sex* party tonight," I reminded him.

"It's only nine in the evening," he said, in his very cultured voice. "Jolly old thing doesn't start warming up till midnight. Come back to bed and let me get my jolly roger working on you again."

I have to admit that for all his upper class foppishness he did have a fair sized cock, and he knew how to use it.

I smiled and walked back over to the bed, my bare feet almost vanishing in the deep pile of the carpet.

I knew Peter loved my huge breasts. Everyone who sees them loves them. *I* love them. I stood by the side of the bed and looked down at his thin athletic body and smiled, and then ran both my hands over my huge boobs.

I lifted them as high as they would go, very high, and then took my hands away so they bounced a few times back into their proper place.

"Now I *know* why you're called Bouncing Babs," he said, a grin on his face, as he reached for me.

"Promise you'll take me to this party," I said, resisting him for a moment. "Promise you'll show me something about the London sex scene."

"You have the word of an Officer and a Gentleman," he said, pulling me down so that I was on top of him, my firm boobs crushing against his chest.

"A *super* scene?" I asked.

"I'll show you a really super sexy London scene," he said, his hands running up and down my back, and each time his fingers touched my naked bum, a shiver of pleasure rippled right the way through me.

Yes, this was far better than being humped in some field in the country. I like my comforts. I also want to find out all I can about the world of sex, about the different forms of sex. London seemed to be the best place for that. I may be a country girl in the Big City, but I know what I want out of life, and with tits as big as mine I'm sure as hell going to get it!

I lifted myself up and moved forward a little and then rubbed my boobs all over his face. His moustache tickled a little, but that was nice.

I moved down, rubbed those fabulous boobs of mine all over his chest, then over his belly, and onwards to his limp prick. It didn't stay limp for long.

Peter had already given me one very good fuck, when he had been on top, and I thought it would be nice for me to be on top *this* time.

When I'm on top of a man, riding up and down, he soon finds out why I am called 'Bouncing Babs'. Of course, some call me Bouncy Babs, some Jiggle Tits, others Massive Melons. I don't care. I take all those things as compliments.

"Come on, Bouncy Babs," he said. "Get on top of me."

"I aim to," I said. "It's my favourite position."

"Let's see those boobies bouncy-wouncy," he said.

Like I said, he was a bit of an upper class twit, but he had a nice cock, and he *was* going to introduce me to some of the people on the London sex scene.

My wet pussy lips touched his penis, and I felt heat and throbbing power send a wave of lust through me.

Then I sat down quickly so that the hot length of his rod went all the way up inside me.

Now I sat there, my breasts heaving up and down with passion as I felt the hard throbbing of his tool inside my love nest.

"Up and down," he said. "Upsy-dupsy on my cock."

"Speak English," I said. Peter just smiled.

I smiled back and then started to go up and down, with his eyes fixed firmly on my breasts. Of course, at first, I just went up and down slowly, for I like a fuck to *start* slowly.

My breasts jiggled a little, and my nipples were rock hard. The thought flashed through my mind that it would have been nice to have had another woman there, so she could have sucked my tits as I went up and down on that cock.

Yes, I am bisexual, and love threesomes. In the village I come from I had a lot of threesomes, and really enjoyed sucking wet, warm, wonderful pussy holes.

But back to the present. There I was, going up and down on this thick cock – it *was* a pity it belonged to such a twat.

But it was fine to have inside me, and I gradually moved up and down faster and faster. Of course, those huge breasts of mine went jiggling and bouncing and heaving about, and Peter's eyes almost popped out of his head as he saw them.

The lovely rubbing of his tool inside my tight wet pussy made be all but climax, and my pussy fluids came out feeling like a fine spray as I went up and down on his cock.

He was staring at my bouncing melons, and then his hands were on them, his fingers pulling gently at my stiff pink nipples. I clasped my pussy walls hard round his cock, and Peter was so worked up, that the sudden pressure of my pussy walls on his penis made him shout then ejaculate.

His sudden ejaculation, the sudden spurting rush of cum up into my pussy, made *me* climax. He may have been an upper class twit, but he certainly knew how to fill a pussy with hot cum. And let's face it, that's what many of us sexy women like *more* than anything else in the whole wide world.

I sat on his cum-spurting penis and had climax after climax as he filled me up. His hands were still on my

'I then felt this woman's tongue delve upwards'

breasts, and his fingers were still pulling at my nipples, and I thought that if this was the typical example of fucking in London, I was going to like it very much indeed.

I squeezed at his cock with my pussy walls, and then moved from him.

"Now the party," I said.

"Let me rest a while," he pleaded.

But I started to pull him from the bed. "Let's go to the party," I said. "I want to see what goes on in London."

I had his sperm dripping from my pussy as we went into the bathroom and had a shower together. Then, an hour later, we were both ready for the off, and we left the penthouse flat, and got into his BMW and roared off down Park Lane.

"Where is this party?" I asked.

"It isn't exactly a *party*," he said, cutting up two taxis and buses at Hyde Park Corner. "It's a gathering of like minded people which takes place about once every three weeks in this house just off Sloane Square."

"Not a shitty Sloane Ranger Party?" I asked.

"It's not a party," he insisted. "Just a gathering of people who are really into sex. They dress up, or go about naked, and they just enjoy things. The only condition about being invited is that you enjoy all forms of sex and that you never say no to anything."

"I've never refused any form of sex in my life," I said.

"I gathered that," he replied, and swung his car round a corner so fast it just about stood up on two wheels.

I was feeling happy. I hadn't been in London long, just a girl from a country village, but here I was going to a gathering where I would meet all sorts of sexy people, people who were really involved in the sex scene in London. Yes, I *had* done well. I had a feeling that me and my big bouncy knockers would go far in this place.

The house had lights blazing from every window round velvet curtains. It was one of those huge mock Regency houses just off Sloane Square, right in the middle of the really *rich* territory of that part of London.

The door was flung open by a blonde woman wearing a figure hugging leather outfit, though holes had been cut in it for her breasts to poke out. And she had small pert breasts with the stiffest, longest nipples I had ever seen.

"This is Bouncy Babs," said my escort, and then just vanished into the depths of the house. I never saw him again that evening.

"I'm Linda," said the woman. "I'm throwing this party."

"I like your outfit," I said.

"At these gatherings you either have to dress up in costume or go naked," she replied, as she showed me into the hallway.

As she took my coat, I heard loud music and noises coming from an inner room.

"What a pair of tits," Linda gasped, as she saw my low cut evening gown.

"I *have* to go naked, do I?" I asked.

She nodded.

I slipped from my gown there in the hallway, proving

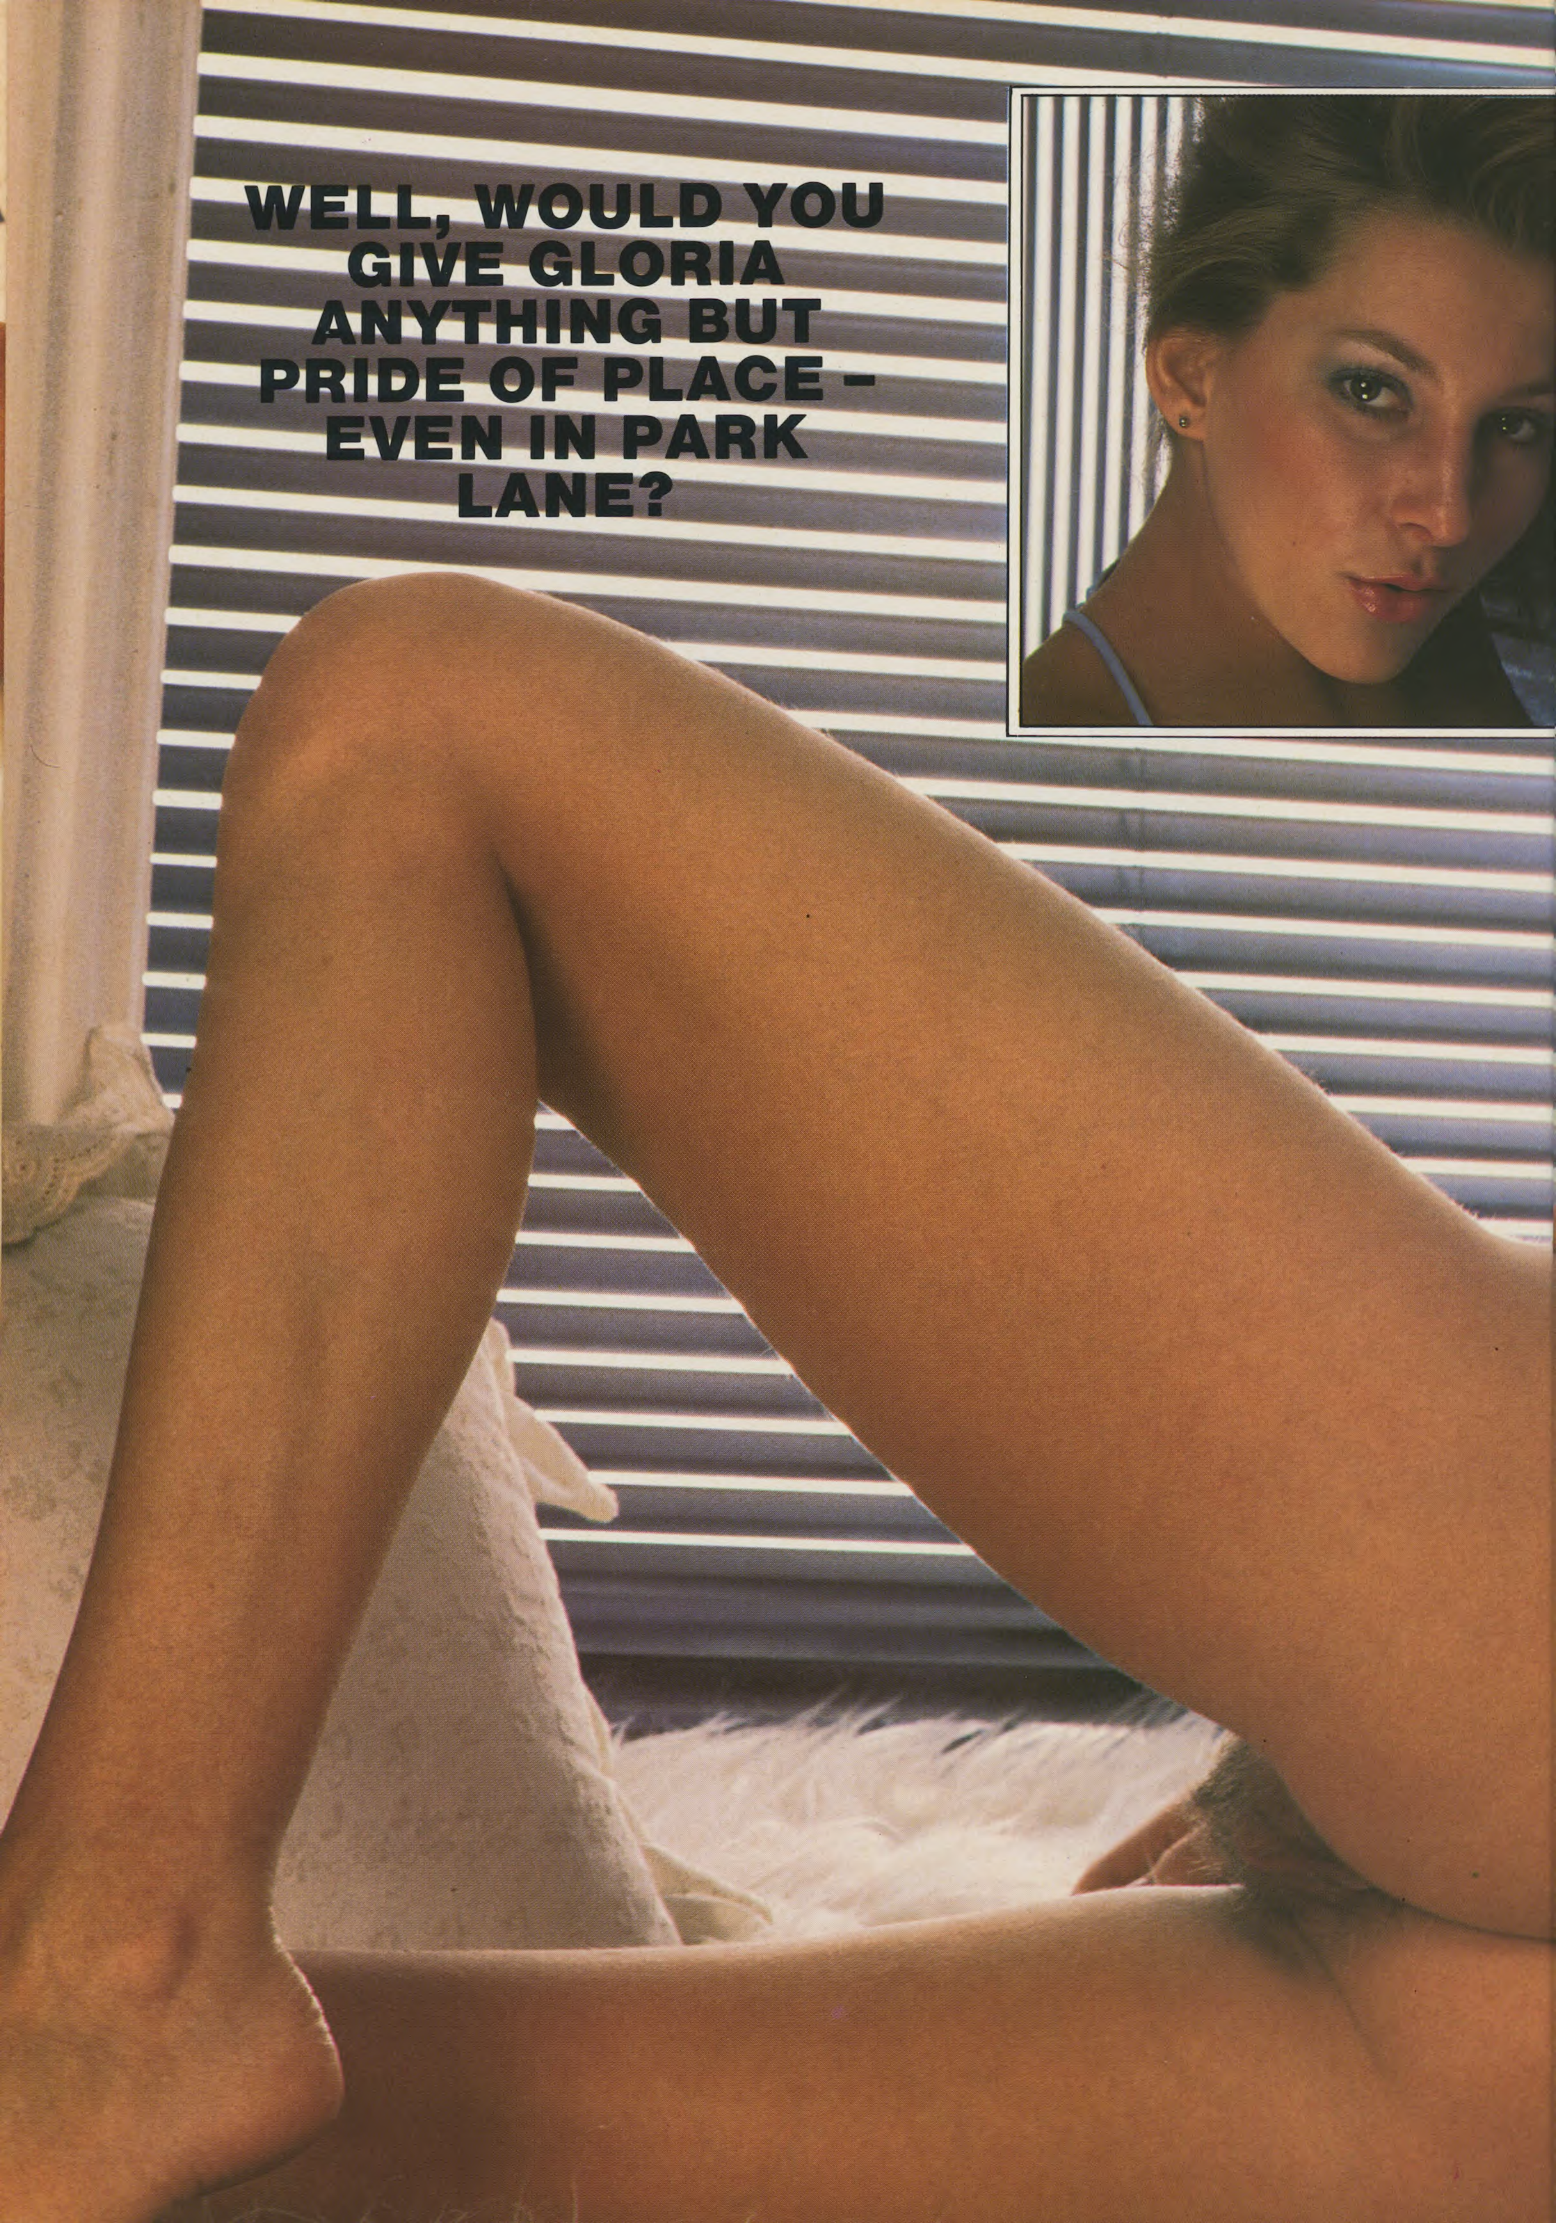
ANOTHER LOVELY DAWN IN PARK LANE

As regular Park Laners know only too well (and if you're not 'regular', find out how to remedy that on Page 9), Park Lane loves to be around when the loveliest girls in London wake up in the morning, after an all-action night.

And after our bygone dawn raids on London's raunchiest glamourstars, we're thinking of making this a *regular* feature, especially when Swiss Bankers' daughters like Louise here permit us to share waking moments at her father's company apartment off South Street, off Park Lane.

And if nothing else, these relaxed but randy peeks at half-English, half-Swiss, *all* sexy 19 year old Louise make an early morning rise thoroughly worthwhile.

WELL, WOULD YOU GIVE GLORIA ANYTHING BUT PRIDE OF PLACE – EVEN IN PARK LANE?



Park Lane is packed with top-flight glamour talent, and that often makes the choice of which star graces our prime middle page a sticky problem. But when fashion model and up-and-coming star Gloria (more details of her blossoming film career in your next *Park Lane* but one) made it known she was prepared to 'compromise' herself to pay the deposit on a flat off Park Lane, the choice became easier. In fact, the svelte 35-23-36 figure on this 5'8" tall dream-come-true won't be to all flesh fiends' taste. But let's face it, could there *really* be any alternative to giving this 23 year old Scorpio pride of place as 'The Pride Of Park Lane', as she proves that the poshest would-be Great Actress can turn up the gas sex-wise at will, when she has a mind to?

THE PRIDE OF PARK LANE

GET DRUNK IN PARK LANE'S DISCO & YOU GET ALL SORTS OF BONUSES!

Park Lane's picturetaker was very happy about getting pissed out of his mind (*his* words, not Zeta's) when he covered the semi-finals of our rival, *Parade's* 'Barmaid Of The Year' Contest, where Trudi, Michelle and their mate here proved they're not just ace when it comes to pulling a pint of Euro-fizz or knocking the top off bottles of Moet at speed, but also when it comes to disco dancing, can funk it as well as, if not *better* than most show dancers.

Owing to his inebriation, he ended up flat out on the dance floor. But like all good cameramen, he kept a firm grasp on his equipment and ended up with truly memorable action views of this booze ►

and glamour dispensing trio.

And if this sozzled worms-eye-view of this reveal-all trio leave you with a raging thirst for more, why not make sure you see Parade Magazine as well as Park Lane, where their furry assets (and other teasing talents) are being assessed individually and in loving detail.

Simply fill in the coupon in our Park Lane snaps, near the picture of Michelle and her mates scanning the frisky fortnightly who sponsored their flash-in!

THE DIARY OF A PARK LANE RAKE

the best equipment as a basis for supporting it, as the silk clung to her clear skin.

“Hugh, do come in. My name is Penelope, but then *all* girls like me are called that, or Jane, or Sarah. Daddy has been talking to your father, I gather. Thinks it’s time, and all that sort of bosh, so they’ve put us both on parade. Ghastly, isn’t it?” she giggled.

“I dunno,” I smiled, warming to this qute attractive, open hearted girl, with the classy figure. “The best marriages aren’t made in heaven.”

“No,” agreed Penelope, linking her arm in mind and leading me to the drawing room. “They’re usually fixed up between the sheets, or else by two conniving old sods like our fathers. I suppose we can always say no?”

“I think we ought to, er...” I mumbled.

“Oh, definitely, but, perhaps, *after* dinner.”

“Ah,” exclaimed Brigadier Henry Anstruther, MC, late of the Cavalry in His Majesty’s Indian Army; *very* late in fact. “You’re, er?”

“Hugo,” I replied - briefly.

“Ah, yes, what do you want?”

“Daddy,” said Penelope, cutting in quickly. “Hugh is Rear Admiral Montgomery Mortimer’s son. The two of you spoke...about *us...remember!*”

“Ah, of course. Gettin’ near 30 both of you. Can’t hang around. No promotion until yer over the ocean, and all that sort of thing. Prospects?” he barked over the soup, suddenly fixing me with a bushy eyed glare.

“Absolutely none,” I replied honestly.

“Oh, good. Man after me own heart. Well, um, there she is. Hunts well, got a lot of staying power; can be a bitch at times, but can’t they all?” he continued, thrusting his thumb in the direction of Penny.

“Daddy!” said Penelope, banging the table with her delicate fist. “Do, as they say on ‘Minder’, put a shut in it.”

After dinner Penelope retired, and I followed a hour later after discussing cricket with the Brigadier, an OK subject - and Mr. Benn, a definitely non-OK topic.

In my room I undressed and got into the comfortable large bed after showering and putting *Paco Rabanne* liberally over myself.

The connecting door soon opened and Penelope entered wearing a transparent shift.

“This is rather like one of those post-war Pinewood comedies, isn’t it?” she said. “You know, girl enters right; chap sits up and says, ‘Penelope, is that *you*?’ when he knows damn well it can’t be anyone else. Or, worse, ‘Penelope, what *do* you want?”

“Penelope, I know it is you, and I know what you want, which is the same as I want, at this moment,” I replied.

“Ah,” said Penelope, taking her flimsy shift off over her head, and provocatively standing at the foot of the bed fully frontally in the moonlight, like a professional glamour model.

The blood began rushing around my head. If I had to marry someone, I supposed, it was better marrying a girl, and one that looked not bad. Not at all bad.

“Of course, you bastard, in any other country, the gentleman would have gone into the lady’s room,” she said snuggling up to me, skin to skin, between the sheets.

“It is not done to talk about other countries,” I reminded her as I took the willowy frame into my arms. “In England, Penelope, an Englishwoman reserves her opinions until *after* marriage!”

“Oh, good,” said Penelope, returning my kisses with interest. “Just so long as one of us can quote Oscar Wilde correctly...”

Penelope took my cock and probed, mmm-ing with pleasure, as she let it slip through those well-bred hands to score a try in one; then arching her back to really feel the impact, as strong female riding muscles wrapped themselves around my trunk commandingly.

“I never used to be foul-mouthed till I had oral sex with you.”

‘Connie threw herself entirely into screwing me’

PARK LANER'S ADULTS-ONLY TALE

IT'S A SHORT STEP FROM PARK LANE TO PARIS If You're Shaped Like Linzi

This month's no-holds-barred, megahorny tale exclusively for unshockable Park Laners tells of a typical office in London's West End near Park Lane, where all the girls are on the make, and all the executives, especially Peter, are lechers through and through. Here's how ruthlessly raunchy young office girl Linzi set out to get the benefit of an exciting overseas trip – on the company. And every Park Laner will guess how she set out to get what she wanted, from the guy with his hands on the company cash...

Many of the young members of the male staff had wanked themselves dry in the privacy of a bedroom or a bathroom, thinking about Linzi.

If only they had asked the pretty brunette, she would willingly have done it *for* them.

Peter, Head of Finance, had actually asked her, which was why he was lying with his trousers down and his shirt up on top of his highly polished walnut, executive desk.

Linzi was kneeling on his black leather, executive seat with the young executive's dick in her right hand.

"Don't worry, Linzi," he assured her. "I've locked the door and told the switchboard not to bother me."

He usually referred to the secretary as 'Miss Moore', but she believed that because she had hold of his cock he really felt he should call her by her Christian name.

The Head of Finance was quite young for the important position he occupied, being only in his early thirties. He was well qualified and indeed held an important position in the organisation of his professional Institute. He wasn't a bad looking bloke with wavy, sandy hair and determined eyes of a steely blue.

Linzi, a tall, slender girl, young and appealing, was very impressed with her boss's dick. It was long, thick and smooth. His balls were big and heavy and his pubic forest thick and light in colour.

She thought it a bit of a shame really that Peter had such a tasty weapon. He wasn't exactly 'flavour of the month' or any month as far as the attractive, dark-haired girl was concerned, but it didn't do any harm to stay in his good books.

Besides, he had hinted that he might need some secretarial assistance when he attended the forthcoming seminar in Paris.

They were the reasons why the nineteen year old came to be holding her boss's tool, ready for wanking. She was quite prepared to volunteer her almost virginal love box if it was a means of getting a free trip to the French capital.

"When you're ready, Linzi."

He made it sound as if he was giving her dictation. There was, however, a smile about his lips. Any bloke would have smiled with Linzi's soft young hand on their prick.

Peter had carefully and neatly folded his jacket and placed it beneath his head so that he was quite comfortable and he could also see what the nineteen year old secretary was doing to him.

Linzi began. She didn't mind wanking blokes. It wasn't often that she let a tool near her twat however, never mind actually *inside* it; so giving a randy feller a jerk-off was very often a convenient way of unstiffening a hard cock and thereby making it safe.

This was different however, giving Peter Lock a good wank was purely an act for her own selfish ends.

Peter allowed himself a smug smile. The pretty young girl's hand felt lovely on his weapon. He'd known all along it would do – ever since they had shook hands at her first interview.

►

'It was long, thick and smooth'

'This time it was I who was left gasping'

Penny was not the girl to lie back and think of England in such circumstances. That was very obvious. Sex to her was not in the line of duty but a healthy necessity, and with the man she liked ('love' would come later, possibly) it was more than a necessity, it was a positive *pleasure*.

It was a glorious test run. I liked her rounded breasts, which were firm and thrusting; the square set of her purposeful shoulders, and those ever-alert grey-green eyes which bored right through a man to the truth about him.

All those thoughts were churning in my mind as we came perfectly together for the first time, our lips joined in one long, langorous kiss, with continued gasps of breath as those heavenly, fleeting seconds passed and reality returned.

We went to sleep and in the morning I realised as I came to that someone was making love to me.

Penny was sitting astride me, brushing her blonde hair out of her eyes, which were hard and horny with lust as she clamped her vagina onto my core and squeezed and squozed.

We rolled over and over together on top of the bed until I landed on top.

Just at that point, as we were coming again, there was a discreet tap at the bedroom door and Biggs the butler entered bearing two breakfast trays.

"Set them down on the table, Biggs, if you would. I am rather tied *down* at the moment," Penelope called out from underneath, waving one leg in acknowledgement.

"You don't seem to mind when that sort of thing happens?" I asked after he'd exited.

"No, he's only a servant, after all."

We showered together in her room and made it once more as the shampoo and soap suds cascaded over us. Penny could certianly get me at it, but she wasn't in Connie's league.

I said my fond farewells and drove home to the Pater's, stayed for lunch, and went back up to Mayfair. The telephone rang a couple of days later. It was the Governor.

"Ah, it's no go, I'm afraid. She didn't like your *Paco Rabanne*, or whatever the poof juice you wear is called. Thought it rather common to be outsmelt in bed by her lover. Think she's got a point you know," my father grunted.

"Well, *I* didn't like her ears," I retorted.

"Oh, well. Can't be helped. I just don't know what's to become of you, that's all," he said in despair.

Connie came bouncing in that evening on her way to a strip engagement.

"I want to see what it really feels like having it off when I keep my stockings, suspenders and belt on," she murmered, eye-lidding me hornily as she whipped her top and skirt off, standing there in a black triangle covering the vale above her crotch, her black silk, seamed nylons stretching lubriciously and held firmly in their place by two straining suspenders.

I grabbed hold of her, thrust her on the bed, and proceeded to give her a very powerful fucking, which she adored, rubbing my face between her legs so that I felt the sheen of the silk and the muscles of her legs throbbing with excitement all at the same time.

When Connie's mouth begins to form the lette 'O', I know it's time for lift off. The 'O' started forming as I quickly whipped my cock out of her and thrust it in her mouth, making her yell with frustration and, at the same time, suck hard.

Then, just as I was about to blow her tonsils out, I withdrew and stuck it up her cunt again, this time literally dancing it in and out at a rate of knots, causing her to beat the eiderdown with her fists and cry out in pleasure.

The screams of frustration turned to growls of pleasure as I touched Connie's inner funny button. She *swarmed* over me, gasping and spitting as she let everything go, catching me in mid-flow and thrusting back with vengeance.

Connie lay there for about ten minutes, relaxing, stretching her muscles, and pulling her stockings and suspenders into place again.

"That's got me really into the mood for this show. They're paying me £250 for my best five minute spot, so it's got to be good and not just going through the motions, darling. I mean, at that level the audience expect you to get turned on too," she declared, explaining her notorious sex act.

I caught hold of her, pushed her legs right back by her ears, catching a cock-shattering glimpse of seam, and thrust myself into her once more, despite her protestations about the time.

"If only you'd marry me I'd pack this all up," she wailed.

"Liar!" I hissed. "You like exhibiting your body too much to stop."

In answer, Connie threw herself entirely into screwing me well, and this time it was I who was left gasping as she smugly arose from the battleground, with a contented grin on her face, and pulled her G-string into place again. "I have a

'Do you want first bash at him or shall I?' said Connie'

THE DIARY OF A PARK LANE RAKE

date tonight – that'll be £500 from a rich Arab. So I will see you tomorrow. Tatty Byes!" she bid me, cockily.

Connie would have reacted vehemently if anyone had called her a prostitute, but the truth was that she accepted gifts from men she liked in return for giving her body to them.

Connie as a wife? No, no, no! There would always be the boyfriend lurking behind some bushes near at hand.

I nearly bumped into Penelope as I was walking towards *The Dorchester* to take dinner that evening.

"About turn! It's you I've come to see," she ordered me.

"But I thought you couldn't stand *Paco Rabanne*?"

"No more than you liked my ears.." she said, giggling.

"Well, then?" I wondered aloud.

"Too many good things going for us to top hat the whole operation, don't you think? For God's sake, let's get to know each other the real old-fashioned way before getting involved in the type of marriage which these days has a cat's chance in hell," she said, without taking a breath.

"And you have a brain. *That* bothers me."

"It should, if only to re-awaken you *own*, Hugh. Being a perennial teenager is OK, but you are getting on for 30. It's time to start picking up responsibilities and putting them down for a breather now and again, perhaps?" she suggested.

"Don't you bully me!"

"I certainly shall," Penelope retored.

I looked into those grey green eyes. "I was going to dinner, but I am no longer hungry," I said quietly.

"I think it's best to fuck *before* dinner. It eases sexual tensions and makes for far better table conversation," said Penny, arching an eyebrow.

Upstairs she sniffd Connie's perfume. "Have you had another woman in here?" she grilled me.

"Of course. It *is* the bedroom."

"I see," she said, ever so slightly taken aback.

"No you don't. You're miffed and beginning to act childish."

"Yes, you're right," she agreed, taking her things off and laying them over a chair. "I shall stop acting like a child this very moment."

It was a far different Penelope who got into my bed in Park Lane that evening. Street-wise in a way I would not have thought possible, and like a real high class whore in bed, showing sexual experience she had obviously kept hidden at our last encounter in the respectable environment of the shires.

Penny had a horse-faced horniness which was attractive, plus as good a body as Connie's, and actually had the edge on her with slightly meatier, shapelier legs. She was an inch taller, too, at 5 feet 9 inches.

I had forgotten about Connie and was therefore half awake or asleep when Connie let herself in. To my surprise she and Penny greeted each other like old friends and kissed cheeks, Connie seemed not to care about Penny's absolute nudity.

"Well, might as well keep it in the family is what I say," said Connie airily. "Penelope – '*Trixie*' here – has a secret life too. She does the same sort of thing as I do..."

"You mean strip and blue movies?" I asked astonished.

"Oh, nothing so *common*. The genuine high class tart for Lady So-and-So's exclusive escort agency. Looks after diplomats, top military brass, captains of industry, oil shieks and other sundry tycoons," Connie pronounced.

"Thought you should know, darling," said Penelope, slipping into bed, one side of me, as Connie got in the other. "It wasn't a set-up, really."

"If you're going to bugger about, and bugger about you *are* going to, then I would rather have you do it with Penny than any other woman except me, darling," said Connie fondly but tapping the end of my willy with her heel, menacingly."

"Mind you," said Penny, "If we both turn up at once, it's likely to be expensive on the jolly old nosebag stakes, to say nothing of physically tiring...*for you*."

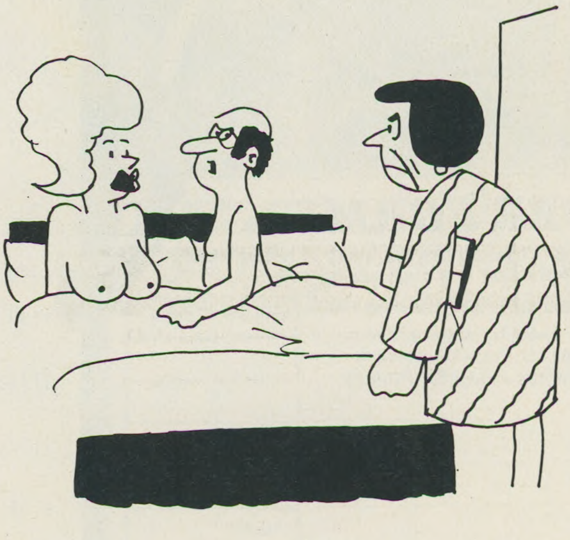
"Do you want first bash at him or shall I?" said Connie.

"Well, you've already had a go," said Penny. "Tell you what. You screw him and I'll kiss, and then we'll change."

"Do *I* get a vote?" I gasped.

"Shut up you," they chorussed in unison, getting to grips with my tired old body.

So you see, Park Laners, life is never simple for the idle randy rich, like yours truly.



"I wish you wouldn't creep about, Ethel. You startled me!"

'Bodies were soon all over me'

'Again hands were all over me'

'I was able to get my tongue all the way up'

Continued from page 31

BIG BABS HITS PARK LANE

among other things I had nothing on underneath.

Linda looked at my naked body and her eyes lit up. Then her hands were all over me and her mouth was on mine, and I could feel her flickering tongue inside my mouth.

If this is what the scene is like, I thought, then give me *more.*

"What lovely boobs," she said, as she pulled back, and her hands stroked my breasts and pulled at my nipples.

I reached out and touched her amazingly stiff nipples, and she shivered with pleasure.

"But I can't keep you all to myself," she said. "Come in and mingle. Do what you like. That's the only rule in this house. Do what you *like.*"

And with that she threw open the inner hallway door and I stepped into my first experience of the hard horny London scene.

Linda had been right. Everyone there that I saw was either dressed up in an outlandish costume or was naked. This door led to a sitting room, and to one side of the door a flight of stairs.

There seemed to be people everywhere. All the furniture had been pushed back to the walls to give as much room as possible, and in the centre of this very large room were cushions and pillows and things.

I had seen lights in all the windows as we drove up to the house, so it was obvious that there were people all over the place.

In the room I saw people in rubber outfits, in leather outfits, and in costumes obviously hired from a show business firm for they looked like extras from costume movies.

But all these costumes and outfits had one thing in common. They all had bits cut out so that various parts of the body were exposed.

Music was coming from a huge stereo, and some people were dancing, and some were fucking. Yes, in the middle of the room, people were fucking away.

I felt a thrill go through me as I viewed this, for I realised that this was the scene that I, a country girl, had been looking for. I was now in the *middle* of a sex scene in London, and I was determined to make the most of it.

Linda didn't introduce me to anyone. She didn't have to. The mere fact that I was there meant that I was part of the scene and accepted the rules.

Anyway, at a scene like that I doubt if many people have their real names anyway!

Many people stared at me, for without doubt, in that room, I had the biggest tits. Men *and* women smiled at me, and one woman, dressed as a clown, with her naked bum sticking from the costume, went down on her knees in front of me, and her tongue started to lick at my pussy lips.

People gathered round, in weird and wonderful costumes. Hands reached for my breasts and I felt a cock rubbing against my naked bum, and I then felt this woman's tongue delve upwards, into my pussy.

Now, somehow, I was on the carpet, and rolling about on the large soft cushions, with many people round me, some naked, some with costumes on.

Bodies were soon all over me, but somehow that woman's tongue was still inside my pussy, lapping away!

I felt spunk spurting all over my naked bum, and then a woman's hand rubbing it into my skin. A thick hot cock was now pushed into my mouth, and I was really happy, for this is what I *hoped* the scene would turn out to be.

The woman stopped licking my pussy; the music in the room became louder, and then there was another cock inside my pussy.

I felt female breasts rubbing against my bum, I felt male hands on my tits. I had this lovely tasty cock inside my mouth, and I also had a nice cock inside my pussy.

People were playing and sucking and fucking with each other in the pile of bodies that was all round me. But it was as if *most* people in that room had suddenly thrown themselves on *me;* but at least they were doing it in an ordered manner so that there was room to breathe.

Then there was hot sperm going down my throat, really hot beautiful cum gushing down me as the man with his cock inside my mouth started to climax.

Of course, I climaxed, for I always love drinking down cum. Then I felt fingers inside me as the cock was pulled out of me.

I managed to glance down, and saw that a naked woman, I think it was Linda, had pushed three fingers into my cum-filled pussy and was wanking me off like mad.

All this was happening within a few minutes of me stepping into that room, and once again I thought that this little girl from the country was going to have a *great* time in the Big Smoke.

In the end the crowd broke up, and I stood up. I had the taste of cum in my mouth and a fair load of it inside my pussy, and I thought I'd better find a place to wash it out.

Linda was licking her fingers, so it *had* been her who had fingerfucked me after I had been screwed, and going by the look in her eyes she loved the taste.

I went upstairs to the first floor. That took some time because of the number of people on the stairs, most of them engaged in some form of sexual activity.

I heard this splashing sound from a room, and pushing open a door, I gasped. For there was a sunken bath, a very large one, with steam coming from it, and lots of people splashing around.

Someone called out, and I closed the door. The bathroom was so large the walls seemed to recede into the far distance, and I could just make out about half a dozen people in the sunken bath.

I strolled over and got in. The water was very hot. I started to wash the sperm from my pussy, and as the steam cleared I saw that there were four women and two men in that huge sunken bath with me.

To have had that bath built in the first floor must have meant some very expensive building works underneath to support the weight, I thought.

Again, hands were all over me, hands slippery with lather and soap and water. I was also using *my* hands and

> 'This was the sort of sexy scene I could get very used to'

> 'One of the blokes got between my legs'

> 'She had the sort of taste I adore'

touching bare wet breasts, pussies, and hot hard cocks.

This was fabulous. I was now being finger fucked under the water while a woman sucked my breasts and another woman kissed me on the mouth. This was the sort of sexy scene I could get *very* used to.

One of the woman whispered in my ear – a suggestion that I liked very much indeed, and someone spread a few towels by the side of the bath.

I clambered out and stretched out, my body hot and slippery and wet, with me already panting with lust.

One of the blokes got between my legs, and I gasped with delight and bliss as he rubbed the head of his hard cock against my pussy lips.

Then he was pushing it into me, and as it went in, I heaved and shuddered with delight.

Then one of the women got out of the sunken bath, and crouched over my face. At first just drops of water splashed down on my face from her dribbling pussy lips, but then it became drips of something else – pussy juice.

Another lovely was at the side of the sunken bath, and she lifted herself a little and leaned over me. Then her mouth came down over my right nipple, and she started to suck very gently. I moaned with pleasure.

Juices splattered over my face while my large breasts were being sucked, and my tight pussy was being fucked. The orgasms flowed through me.

Then the thrills became even more intense, for the lovely tasty lady who was above my face, sat down on my face, and I was able to get my tongue all the way up into her pussy.

She tasted really nice. She had the sort of taste that I adore. I made a right pig of myself as I slurped away inside her lovely pussy.

The cock inside my pussy seemed to be getting larger and stiffer with every passing second, with each deep ramming thrust, and my body writhed and heaved with sexual delight.

Steam billowed round the room, while I heard splashing from that bath, and I felt my breasts being fondled and my nipples being sucked.

I was slurping like mad at the pussy on my face, while the cock inside my pussy was really working overtime, going deep and hard and doing everything I liked, to the walls of my pussy.

The girl was now rubbing her soaking wet juicy pussy eagerly, all over my face. She was wetter than ever, and when her lips were over my mouth again, once more I pushed my darting tongue all the way *up* into her cunt, and started to suck her.

The man was fucking me faster and faster now, and finally he shook and shuddered and then, once again, I felt that wonderful sensation of having lots and lots of lovely spunk jetting into my pussy.

Afterwards, he slipped his prick from me, and moved up and wiped his wet sticky cock all over my breasts. That gave me an extra thrill.

Of course, the greatest thrill of all was feeling that cum gushing into my pussy. But the bonus of having him wipe his cock like that and also being able to suck that girl's pussy sort of added the cherry to the top of the cake, as it were.

The woman with the sweet tasting pussy moved from my face, and then rolled round and kissed me on the mouth, so that she could taste her own juices as my tongue went into her mouth.

This was just the start of the party for me, and I had a feeling it was going to get even better, as I jumped back into that huge, sunken bath.

Someone handed me a penis shaped bar of soap, and I used it to wash the second lot of cum from my pussy, I also had a lot of help in that department from the other woman in the bath.

Someone shouted that downstairs the party was well under way, and that Linda was trying to suck ten men off one after the other – which I thought a little greedy of her. But if this was the scene, then I was going to have the time of my life.

As I splashed about in the hot water of that sunken bath, I remembered my mother saying that sure as hell I was bound to get into hot water if I left the village to go to London!

Well, she was dead right, but not in the way she thought, I'm pleased to say.

Now you'll have to excuse me, Park Laners, for I have something *very* interesting to try with that penis-shaped candle that I brought back with me from that party...

More outside fun'n'games with Bouncy Babs next month, exclusively in Park Lane, of course.

‘He was giving her a good feel’

IT'S A SHORT STEP FROM PARK LANE TO PARIS
If You're Shaped Like Linzi

exactly what the price of her lovely young body was.

Peter just nodded and his hands moved to the thin, black, leather belt which encircled her tiny waist. She stood still, feeling herself creaming up as he unbuckled the belt and pulled it through the loops.

Linzi then unfastened his striped tie and started on the buttons of his crisp, white shirt. Soon, he was bare to the waist and she was admiring his muscular, well looked-after body.

It was his turn now and she turned around to let him unfasten her buttons down the back of her red dress.

Whilst she was turned, he unhooked the catch of her pink-coloured bra. Then, Linzi faced him as her dress fell to her ankles and she slid her bra straps off her creamy white shoulders.

The brunette took some pride in showing off her breasts to her boss for the very first time. They were well-formed and very distinctly separated at the cleavage. The nipples were very tiny and light pink in colour.

Naturally, he took hold of her soft-skinned globes causing Linzi to shudder with the sensation of her intimate flesh being touched. He circled her nipples with his thumbs, watching them unwrinkle, grow stiff and resemble miniature pink thimbles.

“You've got a lovely pair of boobs, Linzi,” he told her. The girl noticed he did not refer to them as tits.

“Thank you, Peter,” she smiled, using his first name for the first time since she had given him a wank.

Whilst he was giving her a good feel, Linzi lowered his trousers and looked down to see his tentpole prick pushing out the front of his briefs.

She carefully bared his genitals and her heart gave a little flutter at her second sighting of his cock.

Linzi still had on a pink, nylon slip. Peter dropped his hands, and with quick flicks of his wrists, it was suddenly in a puddle at her ankles.

Her briefs were pink too, dip-fronted and decorated with frothy lace.

“Let's go to the reception area shall we, my dear?” he smiled at her.

They stepped out of their fallen clothes and Peter politely ushered Linzi out of his office.

It was a strange feeling for the girl walking practically naked through the familiar, but now empty, offices. He gave her bottom a friendly tap as they moved along. Linzi responded by taking hold of his stiff, swaying prick and pulling him along by it.

When they got to the reception area, the young secretary sat on the edge of the long, deep upholstered settee. Then, she peeled her briefs over her legs and kicked them away.

Under her boss's watchful gaze, she leaned back and parted her nicely-rounded knees to display beneath her neatly trimmed, dark bush her glistening labia.

“Do you want to play with it first?” Linzi asked him in a coquettish voice she never normally used. Her twat however, was her passport to Paris and her passport was certainly going to get stamped.

Her beautiful body began to heave with excitement as Peter sank to his knees. What would he use on her? Tongue? Fingers?

His hand came out and Linzi caught her breath at the first contact of his fingers with the foliage of her crotch. He toyed with the crisp curls for several moments before trailing his fingers down to the wet lips of her pussy.

There, they paused for a little before sliding their way into her slippery sexy hole. He worked them around for a long time, tantalising her clitoris and making her juices run free.

“You like that?” he asked.

It was a silly question of course, but the naked, young brunette reflected that a great many executives she had come into contact with said silly things!

“Hmm,” groaned Linzi, her body shaking as he continued to tease and probe. Peter then reached up with his free hand and cupped first one dancing breast and then the other.

Eventually, he withdrew his fingers and stood up, motioning to Linzi to stretch herself out full length on the settee used by visitors to the company.

She slewed round, lay down and Peter positioned himself on to top of her, one hand pointing his weapon ready for its plunge into the very depths of her love tunnel.

His face was suddenly close to hers and she heard his rasping breath. Their bodies touched and her breasts were crushed with his weight. Then, she felt his rod being guided into her quim and she gasped.

“Aagh!” Peter himself gave a little cry as he pushed his weapon all the way in.

Linzi's breath stilled as she felt every solid inch of the huge pipe she had invited into her, seemingly filling up her insides. Never mind lying back and thinking of Paris, it felt as if the Eiffel Tower itself had been stuffed between the stretched folds of her cunt!

She soon accustomed however to the invasion, enjoying it immensely.

“What a massive cock you've got, Peter,” she breathed, looking up into his steel blue eyes as he propped himself up on his elbows and began to screw her.

Linzi draped one leg over the back of the settee and her other foot found the floor as she attempted to get even more cock meat inside her.

Peter, slowly at first, and then faster and faster worked his throbbing tool in and out of her wet vagina, Linzi pushing herself up to meet his powerful thrusts. She had never been fucked so well before. She knew that from now on, every time she got laid, she would compare it to this.

Linzi moved her legs and gripped his waist with them like two long, lovely pincers. Peter's balls, which were pushed right up against her fleshy labia, began to bounce as he increased his effort.

“This is lovely,” breathed Linzi. She put her arms around her boss as he repeatedly rammed his prick home, sending shivery delights through her body.

She coated his stiff rod with her juice, knowing that a wonderful orgasm was not far away. Linzi sensed that Peter, too, was not far off coming either.

The shagging intensified. Linzi began to squeal, her eyes rolled

‘Peter positioned himself on top of her’

'This is lovely,' breathed Linzi'

and suddenly there was a deluge of hot, creamy spunk filling her insides.

"Give me more," she cried, gripping him tightly with her legs. "Give me more!"

Peter did what he could as Linzi writhed in ecstasy beneath him, but eventually the flow of sperm ceased and Peter sank down on the brunette's warm, still heaving body.

"There'll be plenty of fucking for you in Paris," the young secretary promised him.

The following week, Peter again asked Linzi if she would stay behind. It was obvious what for, but with the seminar rapidly approaching, she instantly agreed.

The other girls got to hear of it, of course and the usual teasing took place at the afternoon break.

"You may as well take your knickers off *now*," suggested Amanda, a merry twinkle in her big, green eyes.

"I believe *you* only wear knickers to keep your ankles warm," retorted Linzi.

In common with a lot of redheads, Amanda was fiery tempered. She somehow took exception to the brunette's remark and the two secretaries very nearly came to blows. Their workmates however, quickly separated them.

Several hours later Peter and Linzi, both naked, fondled each other's genitals for some time before he turned her round by her shoulders and gently lowered the top half of her body over his desk.

Linzi had never been 'table-ended' before. She gasped a little as the cold surface of the desk made contact with her warm flesh. Her breasts squashed under her and she parted her legs.

Peter simply walked his tool into the girl, causing Linzi to cry out with the force of the entry. It was nice though and, as he pistoned his prick in and out, her cunt was soon awash in juices.

He bent over her and slid his hands under her body to take hold of her tits. Linzi raised herself up slightly and he began to pull and squeeze her stiff nipples.

Peter's balls soon began to slap hard against her buttocks as he hammered away at her twat. Linzi soaked up the pleasurable pounding, reflecting that the big executive desk must have seen a lot of sex action. It was going to see a lot more too. She was now hopelessly addicted to cock.

"Keep banging Peter," she urged him. "Keep banging."

He went faster and harder, the weight of his body on top of her pinning the young girl to the desk.

She cried out in excitement as she orgasmed. At the same time, Peter shot his boiling spunk into her. Linzi's head jerked from side to side, her brunette hair falling all over her face.

Eventually, Peter withdrew his dripping tool leaving Linzi gasping and her legs and arms still splayed out, thinking that Paris was going to be a wonderful, sexciting event.

Linzi was furious when she went in one morning to find that Peter had flown off earlier than planned to the seminar in the French capital and that he had taken *Amanda* with him.

The outraged brunette stormed off to sign up with the nearest job agency and, on her return, she sat down to think up a way of getting her own back.

She couldn't think of anything, so eventualy she decided to start on the work her two-timing boss had left her – the printing and mailing of thousands of letters to members of his professional body.

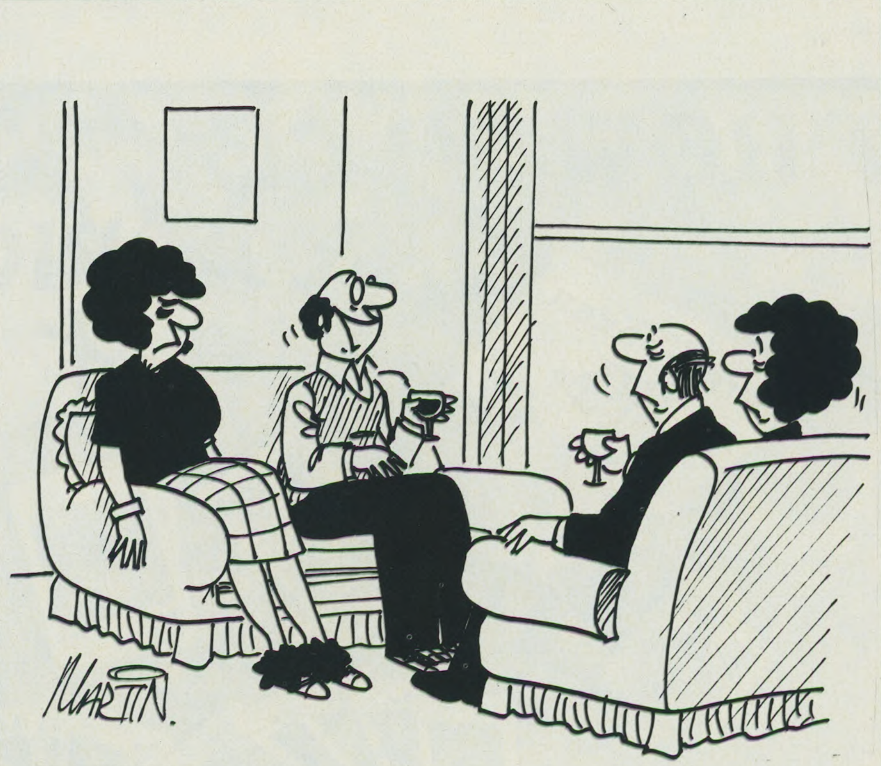
Linzi looked at the framed Certificate of Membership on the wall of his office. His name was printed on it in neat, Gothic script – Peter Ian Lewis Lock.

Her large, flashing teeth inside her inviting mouth suddenly indicated that she had thought of something. Whooping with glee, she rushed to her word processor and began on the letter.

When the circulars were delivered to the thousands of members up and down the country there were great guffaws of delight and they were passed from one person to another.

Instead of the usual signature block at the bottom – Yours faithfully, PETER LOCK, Linzi, in his absence, had purposely typed P.I.L.LOCK instead.

She later claimed unfair dismissal and won her case.



"You must excuse my wife's odour, but she's been dead for three weeks."

'Linzi writhed in ecstasy beneath him'

TUT! TUT! WHAT SHOCKING EVENTS AT THE FAR END OF PARK LANE!

& It's Escort Girl, Headliner Sandy Ross Who Shocked Us...

Park Lane was shocked to see blonde 26 year old Sandy Ross involved in a sex scandal in spicey Sunday newspaper, *Sunday Sport* with telly comedian Jim 'Nick Nick' Davidson.

But that means Park Laners will get an additional buzz from Park Lane's pulsating pictures of this blonde bombshell and model, who spilt the beans about her encounters with laugh-a-minute Jim at a hotel at the other end of Park Lane!

And as you can see, headliner Sandy Ross would be an event in that shiney black dress (and even more out of it), even if she hadn't made the big time in 32p *Sunday Sport*.

And we're keeping an eye on *Sunday Sport every* Sunday from this moment on, so we can see what other potential Park Lanettes get up to behind our backs!

We bet you will too!

PARK LANE'S QUICK CHANGE ARTISTE!

Once again Park Laners are invited across the road from Park Lane to hide behind the bushes of Hyde Park (fortunately the hurricane left a few standing), to see what naughty girls are getting up to in a park with a famous (some would say *infamous*) past.

And once again, we espy a mystery Miss who seems to have an urge to change her knicks now and then in the great outdoors. We can't imagine *why* she's playing with her panties on such chilly days, but at least it means we get some *ace* sneak-a-peak pictures to thrill every Peeping Tom among us (and who *isn't* a Peeping Tom, given half a chance?). And if these floor-level flashes reach those parts of *you* that matter most, may *Park Lane* recommend extra monthly reading in the uncensored shape of *Adult Fantasy* Magazine, our new stablemate created to look after the specialist kinks, foibles and fancies of its readers who actually specify its picture ingredients.

***Adult Fantasy* loves up-the-skirt flashes and we've got a sneaking feeling that a lot of Park Laners do, too. So simply hand the coupon nearby to your newsagent, when you pop in for *Park Lane*, and maybe see *your* fantasies come alive in mouthwatering full-colour!**

DOWN IN PARK LANE'S PANTRIES, LURK LOVELY PATRIOTS!

Another Michelle Leaps Upstairs In Our 'Upstairs & Downstairs' Showcase!

Park Laners don't just like to know about well-heeled, wealthy glamourgirls who people Park Lane's pages, they love our 'Upstairs & Downstairs' slot where we reveal sensational talent *below* stairs: showcasing girls who either toil or *have* toiled in more humble jobs in the hotels and other upper-crust establishments of London W.1.

Michelle from Chelmsford provides a lovely example: and this ex-trainee chef provides a real climax to *Park Lane* 17 as she shows off her true Brit patriotism in that red, white and blue get-up that looks even more stirring when she feels her way out of it.

And let's hope you'll join us both upstairs and downstairs in Park Lane again, in just thirty days' time in *Park Lane* 18. But be wise: avoid the rush for the best news for men in a long time. Hand the easy-to-use coupon in our pulsating 19 year old patriot's pictures to your newsagent *today*, otherwise you could well find *Park Lane 18* utterly sold out when you head there next.

MR NEWSAGENT: I DON'T WANT TO GET KILLED IN THE RUSH

So please reserve *Park Lane* 18 for me. I am 18 years or over.
Enclosed please see its cover price/please bill me with my newspapers (*delete as applicable*).
